American Studies Minor General Policies:

- You must have a minimum overall grade-point average of 2.0 to be eligible for the Minor.
- All Minor requirements must be completed by your degree date.
- All course work must be completed at UC Berkeley.
- All courses for the Minor must be taken for a letter grade.
- Amerstd 10 (or 10AC) is required of all American Studies Minor students and is offered Fall and Spring semesters.
- Amerstd 10 (or 10AC) and at least three of the four Methods courses must be completed with a grade of “C” or better before you are eligible to enroll in an advanced seminar (*e.g.*, Amerstd 191 or Amerstd H110) where you will complete the capstone project.
- Five of the six courses taken for the Minor must be upper-division courses (courses numbered 100 and above).
- Only one course may be used to satisfy requirements for your Major and the Minor or between the American Studies Minor and another Minor. This means that of the six required courses for the American Studies Minor, five of them must be exclusive to the Minor and not used by any other program at Berkeley.
- Faculty advisors are available throughout the semester to discuss your program and help in the selection of your courses. See “Faculty, Staff, & Advising” on the American Studies web page: as.ugis.berkeley.edu.

We look forward to welcoming you to the minor!
